

Want to know what programs are currently on or when a favorite show will be on?  
Just follow the instructions

In your browser enter [www.TVguide.com](http://www.TVguide.com)

When the page appears, look for 'What's on TV' and click on TV Listings

At this point you may sign up as a user or use the site as a temporary guest

Under change location/provider  
Simply follow these steps:

1. Enter zip code (Carr Communication's service area for example 49402 - 49304 etc.)
2. Select your service type  
Choose cable
3. Select your service provider from the list  
If you have HD (Choose Cable: Baldwin - Carr Communication (Digital (non-rebuild)  
If you only have SD (Choose Cable: Baldwin - Carr Communication (standard cable)

HD means High Definition Channels  
SD means Standard Definition Channels

4. Which Premium Channels do you subscribe to?  
Make selections to any listed.

Please Note: Premier Plus subscribers need to choose Encore  
If you do not subscribe to any of the listed selections choose none

Click Done

The current listing of programs that are available for your viewing will be listed

At this point on the screen you may also;

Change the date/time to look for a particular program

Select specific program categories Movies / Sports /Family / News or All channels

Select and set up a Favorite Channels List

Select HD channels only

Use the red arrows to move time forward or back
